KVCA Members,

After 35 years of coaching it's time for me to hang up my whistle and let the younger generation infuse new energy into the KVCA.

I feel the KVCA coaching education videos and clinics have helped us all become better coaches and it shows on the court. Every year the KHSAA Sweet 16 becomes more and more competitive due to all of the hard work you put into coaching your teams. Keep up the good work.

A special thanks to Steve Howard who filled in for me while I was fighting the cancer war. I want to thank all of the AVCA representatives that served as our Secretary Treasurers over the last ten years, they were an important part of the behind the scenes administrative duties.

I will remain on the board and continue to help with awards. Our new President is Daniel Cortner from Caldwell County HS. He has a deep passion for volleyball and will be a tremendous addition to the KVCA staff.

Good Luck to all of you, and may the ball always bounce your way!

Respectfully,

Mitzy Donhoff
